Get Paid for the Transition Work You Already Do Underused CPT Codes for Pediatric-to-Adult Health Care Transition Services

Turn essential transition support into accurately documented, appropriately billed care. Health care transition takes time and expertise but is often underpaid. This practical webinar educates clinicians on documentation and coding to support payment.

What You'll Learn

- Apply coding and documentation strategies to improve charge capture.
- Explain how relative value units (RVUs) value services and why valuation differs from actual payer payment.
- Advocate for recognition and payment for transition- related work within their practices and with payers.

Why Attend?

- Capture billable services and demonstrate the value of coordinated pediatric to adult transition care.
- Earn up to I.0 AMA PRA Category I Credit(s), I.0 AAP credit, or I.0 Category I credit for PAs, all accredited by the ACCME through the American Academy of Pediatrics.

Katy Lalor, MD, MBA, FAAP

Katy Lalor, MD, FAAP, is a pediatric neurologist and epileptologist at Children's of Alabama and an assistant professor at the University of Alabama at Birmingham. She directs pediatric clinical neurophysiology, helps lead the Pediatric Epilepsy Fellowship Program, and serves on the AAP Committee on Coding and Nomenclature and as alternate advisor to the CPT Panel.

Patience H White, MD, MA, FAAP, MACP

Patience H White, MD, MA, FAAP, MACP, is a professor of pediatrics and medicine at George Washington University and a longtime adult and pediatric rheumatologist. She co-directs Got Transition, led the 2023 clinical report on health care transition, and coauthored the Six Core Elements of Health Care Transition. She is a former member of the AAP Committee on Coding and Nomenclature and Governor of the DC ACP Chapter.

The American Academy of Pediatrics is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. AAP designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s) . Physicians should claim only the credit commensurate with the extent of their participation in the activity. This activity is acceptable for a maximum of 1.0 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics. PAs may claim a maximum of 1.0 Category 1 credits for completing this activity.
